PANEL: Army Sustainment Command – Way Ahead

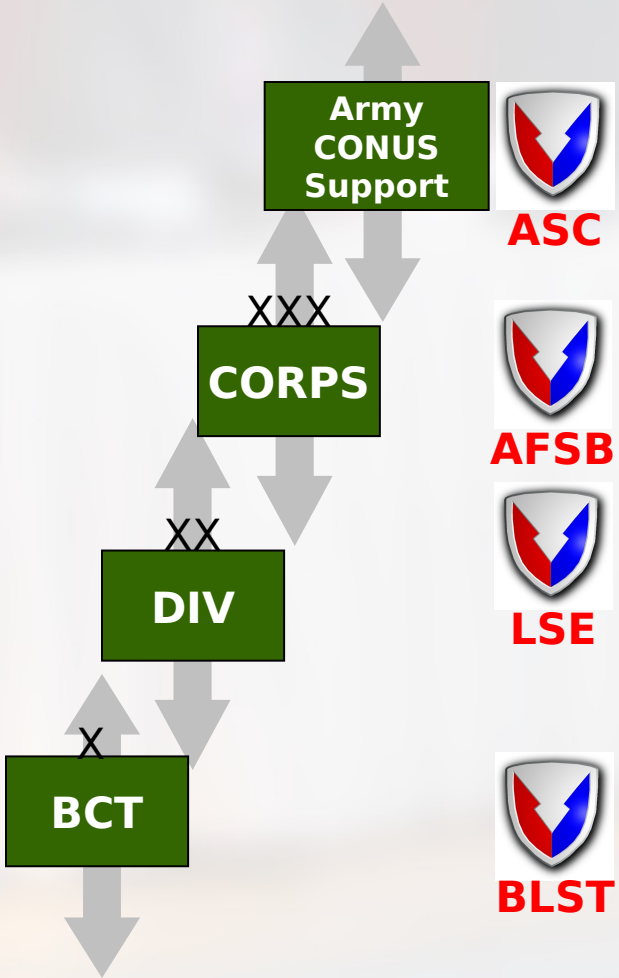
LTG William E. Mortensen

17 May 2006

Levels of Command - AMC Transformed

AOE	Logistics Readiness	Army Modular Force	Logistics Readiness plus Acquisition & Technology

AMC Transformed



Capabilities

Army Sustainment Command (ASC

- **Integrates logistics with joint and strategic partners**
- **RESET Management**
- **Distribution & Materiel Management**
- **Maintenance and accountability of Training and Deployment Equipment Sets (TES/DES)**
- **APS Management**
- **LOGCAP**

Army Field Support Brigade (AFSB

- **Provides s**ingle command structure to coordinate ALT integration efforts in the field; performs major ASC capabilities listed above
- Oversees sustainment level and installation field maintenance

Logistics Support Element (LSE)

- **Logistics Assistance Program / LAR Supp**
- **Provides ALT integration at Corps/ Division HQs and general support to support brigades.**
- **Can rapidly deploy and provide split-based operations**

Brigade Logistics Support Team (B

- **Provides LAR support to BCTs**
- **Has 4 different configurations (Aviation, Heavy, Infantry and Stryker)**

BLST

U.S. Army Materiel Command

CDR: GEN Benjamin S. Griffin
Ft. Belvoir, VA

Army Sustainment Command (ASC)

CDR: MG Jerome Johnson
Location: Rock Island, IL

Research, Development & Engineering Command (RDECOM)

CDR: MG Roger A. Nadeau
Location: Aberdeen Proving Ground, MD

U.S. Army Security Assistance Command (USASAC)

CDR: BG Clinton Anderson
Location: Ft. Belvoir, VA

Chemical Materials Agency (CMA)

DIR: Mr. Michael A. Parker (SES)
Location: Aberdeen Proving Ground, MD

LCMC

ECBC Edgewood Chem-Bio Center

Joint Munitions Command (JMC)

CDR: BG James Rogers
Location: Rock Island, IL

** PEO Ammo

ARDEC Armaments Research and Development Center

Tank-automotive and Armaments Command (TACOM)

LCMC *

CDR: MG William M. Lenaers
Location: Warren, Michigan

** PEO Soldier
** PEO Ground Combat Systems
** PEO Combat Support & Combat Service Support

TARDEC Tank-Automotive Research and Development Center

Aviation and Missile Command (AMCOM)

LCMC *

CDR: MG James H. Pillsbury
Location: Redstone Arsenal, AL

** PEO Missiles and Space
** PEO Aviation

AMRDEC Aviation-Missile Research and Development Center

Communications-Electronics Command (CECOM)

LCMC *

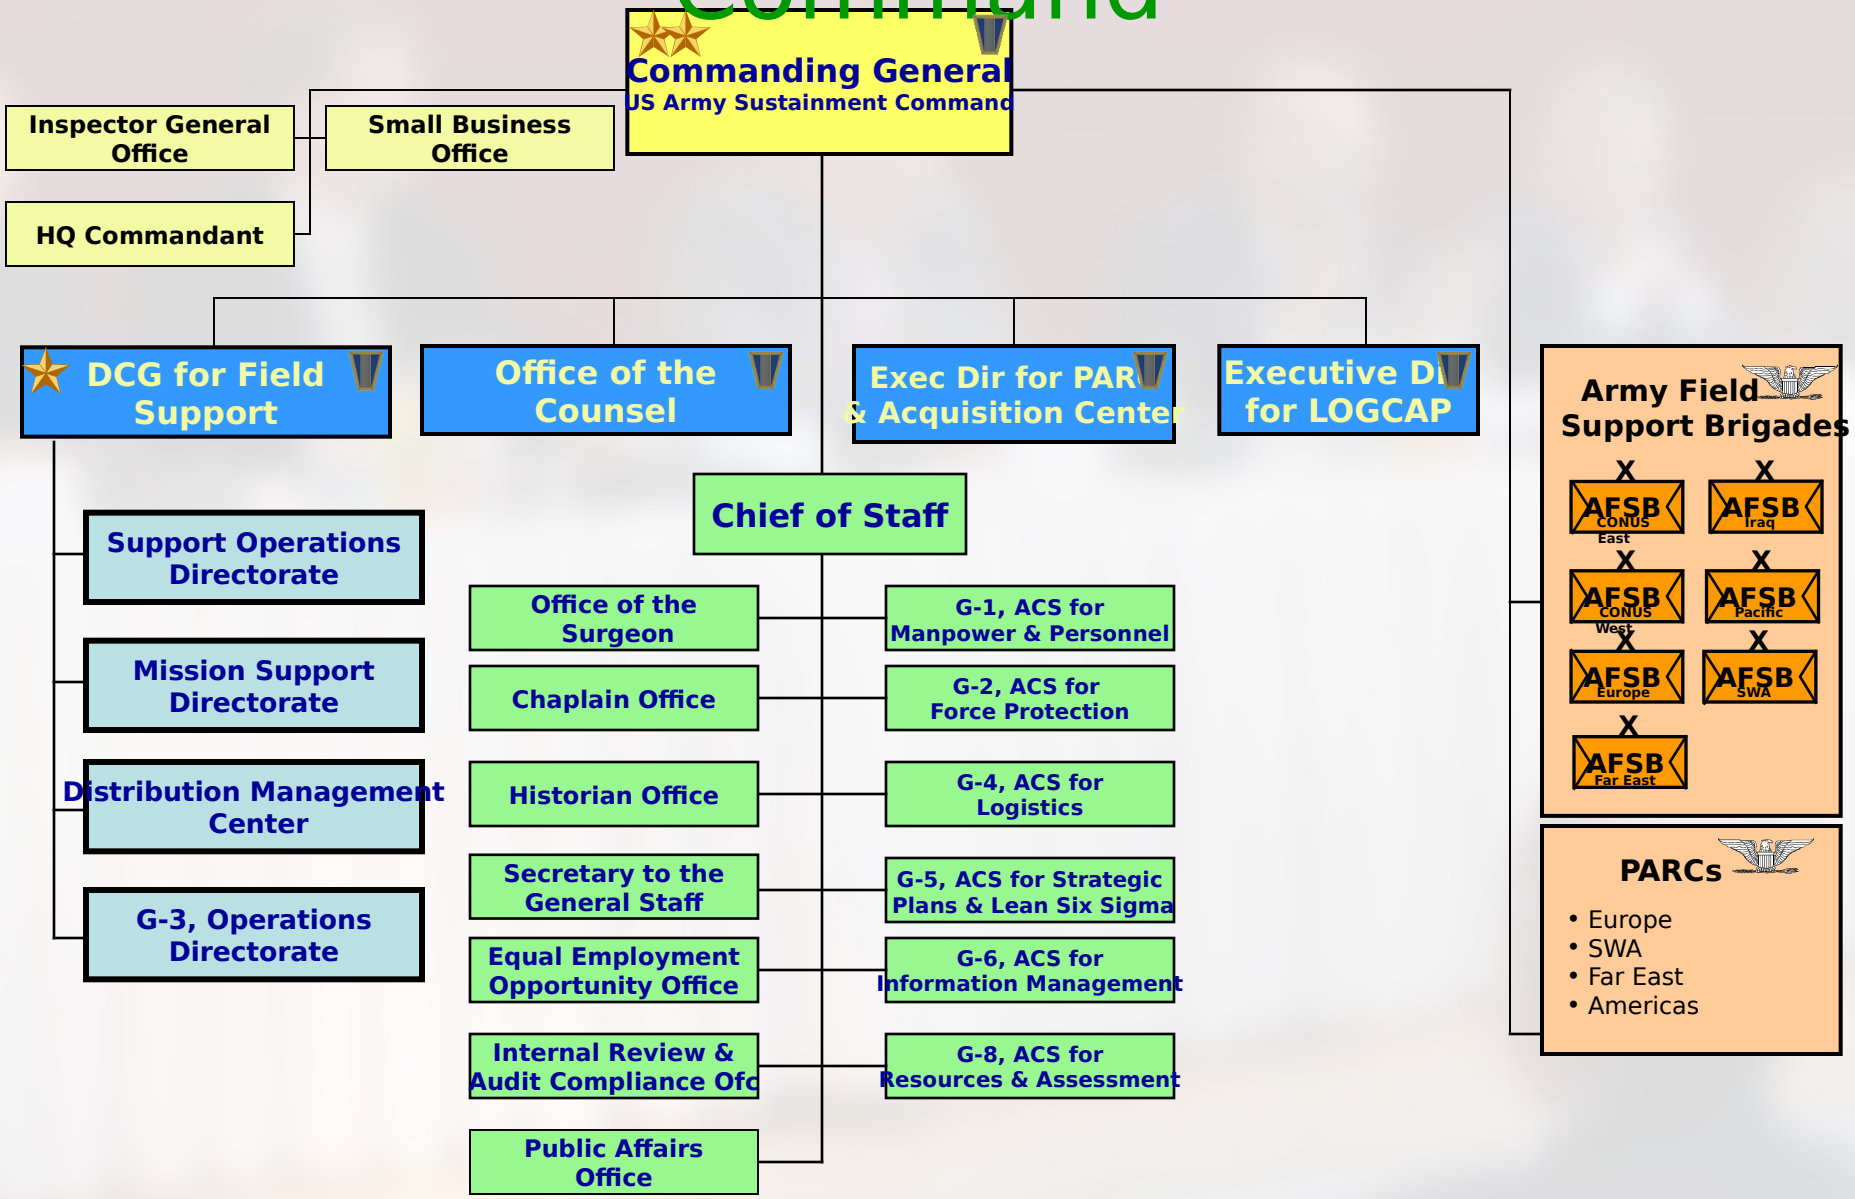
CDR: MG Michael R. Mazzucchi
Location: Fort Monmouth, NJ

** PEO Intelligence, Electronic Warfare, and Sensors
** PEO Command, Control, and Communications (Tactical)

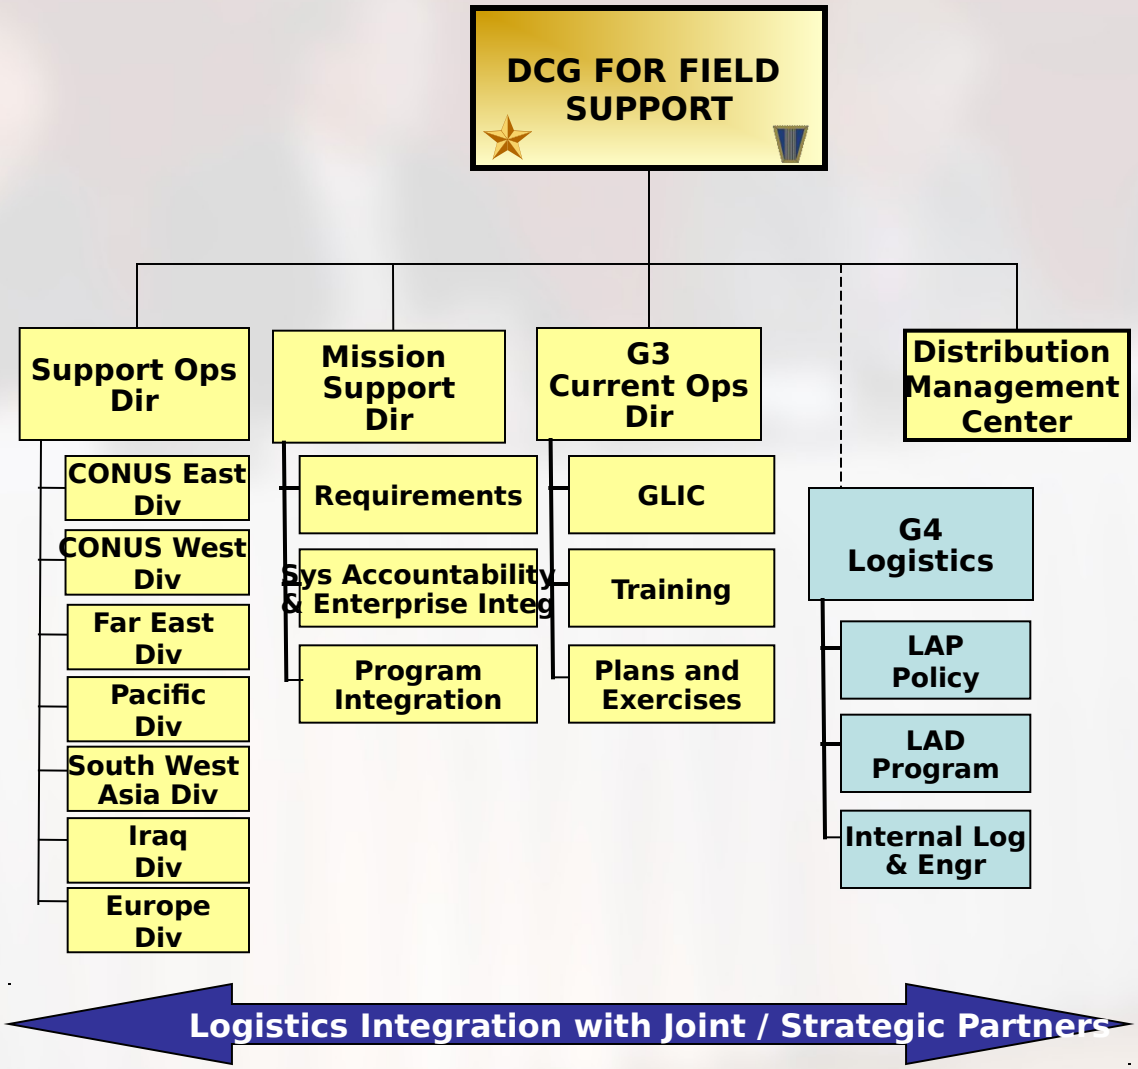
CERDEC Communications-Electronics Research and Development Center

*** LCMC: Life Cycle Management Command ** PEO: Program Executive Officer**

Headquarters United States Army Sustainment Command



DCG for Field Support



Key Capabilities

- **Major Focus: ARFORGEN, LBE, RESET**
  Property Accountability
- **Single Army Integrator of Logistics with Joint and Strategic Partners in the National Sustainment Base**
  - **Coordinates End-to-End Distribution**
  - **Performs Logistics Planning**
  - **Materiel Management and consolidated Corps/Theater Automated Service Center (CTASC)**
- **Includes 167 Soldiers**
  - **Brings a unique skill set (e.g., various Military Occupational Specialties) not currently found on Rock Island Arsenal**
  - **Brings a Soldier's perspective and a Warrior's Ethos to the organization**
- **Reinforces a working relationship with**
  AC CONUS Sustainment Brigades ... works directly with Distribution Operations counterparts
- **Back-up Support to TSC Americas**

Army Sustainment Command: AMC's integrator for Logistics Readiness, Acquisition, Technology and Distribution Management Functions

Army Sustainment Command

Mission

To plan, prepare, rapidly deploy subordinate units, and execute logistics from the National Sustainment Base

Capabilities

- Integrates logistics with joint and strategic partners
- RESET Management
- Distribution and Materiel Management
- ARFORGEN integrator for maintenance and accountability of Training and Deployment Equipment Sets (TES/DES)
- Left Behind Equipment (LBE) accountability/sustainment support
- Army Pre-positioned Stocks (APS) Management
- Logistics Civil Augmentation Program (LOGCAP) Management
- Executes Logistics Assistance Program
- Through AFSBs, provides single command structure to coordinate AMC and ASA (ALT) contracting, logistics assistance and technology integra efforts
